

December 21, 2021

Dear Residents and Families,

Unfortunately, we have had to cancel visitation effective Monday, December 20, 2021, due to positive cases of COVID-19 identified in the facility, and therefore we need to revert to Federal/State/Local guidance for restricting visitors and communal activities.

We anticipate reopening for scheduled visitation as soon as it is safe for this, but we must have met the Federal/State/Local guidance to reopen. Until that time, we encourage you to continue to participate in Skype and ZOOM calls through the Recreation Department (215) 685-0800 ext. 1329 or ext. 1325. Once we reopen for scheduled visits, we will relocate our visitation area to the 1 West area of the facility instead of in the facility's Auditorium. Please look for additional information on our website at [www.fltcpnh.org](http://www.fltcpnh.org) or by calling the facility phone line (215) 685-0800 for updates on the facility's visitation status.

We appreciate your ongoing support and understanding through the COVID 19 pandemic and please do not hesitate to contact the Social Work Department, (215) 685-0800 ext. 1300 or ext 1309, with any questions.

Sincerely,

*Ellen Sherman, MSW*
